WHAT'S ON AT CSBA

TERM 3 PROGRAMS

LEARN TO PLAY

Learn to Play classes are designed for 5 to 12 year olds in a fun and inclusive basketball environment for children of all abilities.

JUNIOR REP DEVELOPMENT

The rep development program is for boys and girls who want to train in a rep environment following the end of the representative season. It is aimed at players who played on rep teams this year or those that play in high divisions of local comp and wish to trial for next year's rep teams.

SHOOTING SCHOOL

The Shooting School is a high intensity program designed to give athletes the necessary fundamentals on perfecting the shot, improving accuracy and learning how to create your own shot.

STRENGTH & CONDITIONING

This program, designed in consultation with the Sydney Kings and the NBA Global Academy will help you improve your performance in games by developing your strength, explosiveness, agility and fitness in basketball specific situations.
